

October 2010

### **ECRM Staff in the News**

ECRM is pleased to announce the hiring of Mark Komosinski to the position of Safety Consultant working out of our Schuylkill Haven office. Mark graduated from Purdue University in 2007 with a Bachelors of Science in Industrial Technology. Mark is actively pursuing his Masters of Science in Instructional & Performance Technology from Boise State University with an expected graduation date of May 2012. Mark has worked for Sonoco Products Company since June 2007 in various positions including most recently a Supervisor in their Robesonia, PA plant. Mark will be servicing accounts in Eastern Pennsylvania.
